

The background of the cover is a soft-focus photograph of a glass jar filled with thick, white body butter. The jar is placed on a rustic wooden surface. Green leaves and branches are scattered around the jar, some in the foreground and some in the background, creating a natural and organic feel. The lighting is bright and even, highlighting the texture of the butter.

Simple recipes for house use If you are looking for a reserve on making organic body butters for home use, that is a good place to begin. I picked it up because I got a bottle of coconut essential oil to check and review and wanted to put it through its paces, so to speak. Another addition to my do it yourself, when making my own body butter and any other recipes you make for your self. What this is not is a book for what appears to be readers who expected to immediately go into business building body butters - that is clearly a whole other arm of the organic trade. Four Stars Great book, informative! Very nice, with a selection of 15 butters predicated on coconut oil, tallow, avocado, a good magnesium flake based butter which the author touts simply because a relieving agent for leg cramping.. My girlfriend adores this stuff and in addition loved this publication. I gave it 4 stars as the edition I got, left out words and had double sentences which managed to get harder to browse. I can attest that, when I began taking magnesium my leg cramps went way down, but I will have to try out this out if I will get my practical magnesium flakes. Very beneficial and straight to the point. I actually skimmed through it and viewed the various recipes and I can't wait to check it out. I love the explanation of oils and creams and how essential it is to look after our skin by making your own nourishing body butters minus the added chemicals. Many thanks Amazon for the speedy delivery that is always an advantage and the reason I buy. Awesome recipes! I found the info so helpful. You can make sense of it, but you might have to read some phrases a couple of times. Are normal not something you cant find Dream creams I make body butters. I like the section on stress alleviation body butter Awesome body butter recipes Because been searching for body butters for dryness, when your 65 you want all you can get! Organic may be the way to go! Can't wait to start out making butters! Loved the book. The recipes are plentiful and an easy task to make. I love the explanation of oils and creams and how essential .I'm glad I came across this book. Excellent SKINCARE Tips! Great book with lots of recipes to test. I live in a tropical weather so these butters are great all year round. The recipe calls for magnesium flakes, coconut essential oil, beeswax and shea butter - a simple recipe. Nice! Alright Not as good needlessly to say. Another addition to my do it yourself, when making ... They are very simple quality recipes, using bases such as coconut essential oil, shea butter, almond essential oil, and other organic natural oils along with fresh beeswax and important oils to make soothing, skin nourishing butters. Nice recipes Love the book checked it from kindle saw it experienced wonderful recipes not really a big book however the recipes are fine readable n inhre. "Organic Body Butter" is jam packed with tips, techniques, tips, and strategies to help you help to make your own body lotion. I've always wished to make my personal body butter. Your body butter recipes great. If you are a beginner this is actually the book for you Loved it! I am trying a few of these quality recipes out.. I also love how the author offers some proven tips on ways to keep your skin healthful and clean. But if you are looking for a book to make butters for yourself and for gifts, this book starts out by explaining how exactly to keep your butters clean and healthy, how to use natural preservatives such as vitamin E oil, and how exactly to bottle and store your product safely. Informative Awesome recipes, and educated theories. I definitely will become using these recipes in my own homecare baskets. Thanks a lot for the insight
