Be aware that that is a religious book Awful. Not only are the beauty guidelines totally generic, nothing new at all, but there is no indication from the cover that this is a God book, but it becomes immediately apparent on the 1st few webpages. I enjoyed scanning this beautiful book and can even see myself referring back again to the highlights I've produced again and again. Fortunately, I got this out as a library book so I didn't waste my money.. BELIEVE IN YOURSELF, Become YOUR BIGGEST CHEERLEADER..
