That is a hardcore fan certified review?? Eva is my favorite YouTuber. This book rocks !, I am so proud of Eva. Must Read for just about any teenager Really recommend any kind of teen to learn who is going right through a rough time, also if indeed they don't watch Eva. Lover of a or not really you should buy this book. Eva is definitely a great role model if you ask me ?I read this publication so ..! Eva is definitely an excellent role model if you ask me ?I read this book thus much I almost got it taken away from me in course ?I'm so mounted on this book ? I've been a book worm lately and been loving YouTubers book and this provide a real advantage into senior high school ??really recommend THE BEST BOOK EVER This is literally so excellent I told everyone in my class about it plus they don't even speak English.. Nice book Nice book for teens, my daughter was content after receiving this reserve. Five Stars I love her!! Thank you so much for just writing this book!! PS My 13y daughter wrote it!! Amazing! Love the product quality!. As a 15 year old lady it feels amazing in order to relate to a reserve at such a higher level. Honestly just makes you feel good to be going through high school. It provides great tips in it. I'd say it's among the absolute best books I've ever go through!!? I really like it so much it could make you cry, you can relate to it and it certainly makes you laugh. She writes about her high school years all the way to her university years. Best reserve I've read in some time. I am so thrilled to learn this book again and again. There's advice that's actually helpful, from a person who actually knows what they're discussing. Its like laughing and crying with her while she lets you know her whole life story. this helped through so many tough times at home, with close friends, with school, pressure, my despair, my anxiousness and my cutting addiction, I feel so blessed with the opportunity to afford this reserve and I hope that it can help everyone just like it helped me! and its an amazing publication!! I really do recommend this for the youngsters who don't like to learn. Gasses on some evaluations I was a little sceptical on buying this publication. I decided to achieve this anyways and it had been a great desicion. Such a wonderful and influential book, definitely well worth the read. Not to mention the pictures are simply adorable.! She explains too many things at one time. I just love Eva's YouTube channel and i'm just hoping she reads this review. Amazing book! Eva provides inspiration to girls going right through grief and hurt by sharing encounters in her existence. It teaches us that regardless of how rough life could be or how difficult situations can get, there is always something good that may happen in the future, if you allow it. I love this book and it's therefore realatable to my entire life and regarding to other reviews there's too! Review from a fan Well I haven't in fact read the book. Nonetheless it seems amazing. This book may be the struggle MyLifeAsEva: The Struggle Is Real This book supplies the perspective of a young girl discovering her identity. :) Love the part with the hobbit. i really love once the avengers synergy to destroy the main one ring eva has to stop them. great twist Soo good This is an awesome book you need to get it Helpful! This book was well written and helpful. Loved it! Thank you It was not at all something I would recommend It really is so busy. Must buyyy This was amazing mylifeaseva is amazing! Her book is awesome she's truly a huge inspiration to me and I would like to pursue a real life hers thanks a lot Eva for such amazing content and book Amazing, my daughter enjoys it! I didn't purchase this book in amazon(at focus on) but I felt I should leave an assessment, my girl LOVED this book, she read it many times and her friends love it too! Good book
