minimalist, easy, basic, straightforward! I have bought other bath bomb making books and even though they claim they're easy to use for beginners, they are only. It has the right ideas, but I primarily purchased it to learn how to make shea and cocoa butter bombs.. Mrs.. That certain is expensive! It seems to have been finished with plenty of love and caring.. I haven't yet made any of these bath bombs, publication arrived today... Pleased with my purchase Great recipes Great Book! The Beginner's Guidebook To Relaxing Perfect for beginner's trying to understand bath bombs. If you want to call it a reserve it's even more of a pamphlet. I love the fact how easily customizable the dishes are, especially since they so quickly spark the imagination. I really liked most of the recipes in the book Pros:I really liked the majority of the recipes in the book.We had currently made my very own bath bomb recipe, by experimenting with several recipes online, and could have gotten by without this publication. I actually was extremely impressed with the data and inspiration I got out of the book. I got an improved recipe (that didn't go nuclear) with the bath bomb molds I purchased, and I've found a large number of better recipes simply looking around online. To do more than a handful of bath bombs, you are looking at a decent investment in ingredients. Steer clear of the green tea bath bomb!. 21! The very first recipe I attempted was a disaster. Thank you Thank you designed for treachery kids and I an improved recipe.Cons: There are only a few dishes that utilize the same elements. Some of these don't work either. So skip it and surf the internet. Sorry. good recipes As I am still understanding how to help to make bath bombs , this is a great publication to help out.! if i wished to visit a pic in color though i would need to open this reserve on my laptop computer or my telephone. Will certainly be trying most of them.My only complaint is that the book doesn't really tell you how much water to add, which is where most people mess up the bombs. it simply says spritz . To someone completely new to this,it will be a little confusing. Not what I expected. At least that's how I sensed when I read and utilized it.. it is small and thin. The list and price of ingredients in various other books has been mind-boggling. The recipe because of this is definitely lacking BOTH ingredients! I take advantage of a paper white kindle which looks good onto it. Pages 20 & Skip it and browse the internet Ok, which means this is a little cheap reserve someone made in the home posting their quality recipes for basically the same bath bomb over and over, just with different shades and fragrances. Although additional recipes call for one or the other and I can probably figure it out, it's a major flaw to label a paragraph "cocoa butter moisturizing bombs" and put in a recipe that just demands "cocoa powder". They're easy to follow, plus they provide a quality bath bomb. But if you're a newbie, and want things written down in a book instead of finding them on the web, I assume this book would do well. I don't believe I must go anywhere else. Three Stars Easy to follow dishes, but many of them will be very costly to make Amazing!! Very best for beginners. A must read for bath bomb crafters. I adored it! That one does the reverse, very simple standard ingredients, easy language. Naylor Approved Mrs. Naylor stated the recipes were easy to follow and she was pleased with the end product.Thanks for in implicating fun!! I thought this was an excellent book with thus many recipes I would like to try, although I wished there was more recipes to try out. Nice recipes A lot of good recipes to use and incredibly simple. Nice description of the means behind recipes. This was an excellent helpful book to assist in the bath bomb producing skills. Great books Great recipes Good read Great information Bath Bombs This book has excellent recipes for bath bombs. The quality recipes are easy and fragrant, and fun to make with children. The bath bombs foamed like nuclear mushrooms over my entire kitchen, up and out of their little muffin sleeves. We hAve tried others yours are the best.again thank you
