

## THE ESSENTIAL SURVIVAL GUIDE TO ACTIVE-SHOOTER EVENTS

## Foreword by DON MANN

John Geddes and

Be a Hero: The Essential Survival Guide to Active-Shooter Events

Dealing with the unthinkableIt' It can help them find the hero inside— Be a Hero is the essential guide to terrorist attacks that may help you survive. He demonstrates how to create clear decisions and beat the odds by: Coping with fear through basic and effective techniques to bring the chemical substance urges generated by terror at least partially under control Escaping and evading when possible, using everyday objects and landmarks for safety Fighting back if needed, with solutions to disarm a dynamic shooter and to use items at hand as weapons Using a weapon in case you are licensed to transport, shooting to destroy without collateral damage or being recognised incorrectly as a perpetrator Providing medical attention to cope with traumatic battlefield injury and save lives This is not a book primarily for survivalists and ' What do you do? Who do you convert to? Then one time you hear the clatter of automatic fire at the mall. Former Special Air Support terror professional John Geddes will clarify how to cope with a life-threatening event. You have already been drawn into the chaos and terror of a dynamic shooter event.preppers.' Be a Hero is a reserve for ordinary men and women who could find themselves in the center of an extraordinary moment.s never likely to be you.and live to tell the tale.
