Paul offers down to earth tips on how best to optimize what you currently have - not merely in your closet but also inside yourSELF - to live your very best life! Yes I must admit, I had preconceived expectations about Paul's first book. I thought this might be just another celebrity book, boasting about their fabulous life and supplying us mere mortals several typical ideas on how to be stylish.! Paul offers right down to earth tips on how best to optimize what you currently have - not merely in your closet but also inside yourSELF - to live your best life! Yes, he gives us solid tips on how to appearance great but what I came across most surprising was his compassionate method of motivating us to business lead a confident, healthful and happy life. He really speaks to EVERY woman and I found myself devouring the book in one sitting. That is a book I'll come back to again and again and it also makes a fantastic gift. I acquired the book for that purpose but when I began reading it, I loved the tips. An excellent addition to your reading list I thought it was great that the writer decided to write the reserve while at his Grey Gardens estate. I'm beginning over in the make-up thing so I found a few new ideas, I will recommend this to all or any my fashion ladies! Bravo Paul! And yes it experienced like Paul Wharton's personality actually came through. I've only had my publication for 2 days but I already like jumping around from chapter to chapter, gathering great details and enjoying the beautiful, bright and glossy images. This book was everything I had a need to get things back on track.

Positive Helps and Hints An excellent read; a couple days, extremely positive hints and guidance. I purchased several copies to share Paul's generosity with others! Strongly suggested. Paul's generous along with his tips and we're even more fabulous because of it! Anyone who views Paul Wharton on television, listens to his podcast or attends an event he Emcees is asking the same question: What's the trick to his fabulousness? There have been so many suggestions.? In his publication, he answers that and even more. This book should definitely be a staple for every woman.
