Beautiful and easy to follow Awesome book full of beautiful pictures and easy to follow instructions. By enough time I finished reading this publication I felt like a soap pro and my 1st batch of soap arrived incredible, I can't wait for it to cure so I can use it! The recipes were simple and fun, and we discovered some very interesting info that we never knew before. I highly recommend this book for newbies and professionals alike. Great book! You will love the energy the author brings to the craft! There's even places by the end of the publication for my own scent notes, natural infusion notes and colorant notes! Best DIY natural soap making book EVER!! Holy Guacamole! Who understood making really good for you soap was so easy? It has a short history on soap, very useful, wonderful safety tips, dishes, photos for everything, colorant suggestions, natural scent blends, assets, more strategies, wrapping ideas, simply anything is covered and covered well. Very educational! She writer clearly adores her craft and imparts her wisdom through the entire book.! This book far surpassed my DIY publication expectations, using entirely 100 % natural ingredients for everything.!
