The Boy Scouts of America and

The Scouting Guide to Survival: More than 200 Essential Skills for Staying Warm, Building a Shelter, and Signaling for Help

[continue reading](#)

In Scouting's Guideline to Survival, current Scouts, Scout alumni, and readers thinking about the outdoors are given with time-tested advice on emergency preparedness. The BSA is focused on training youth in responsible citizenship, character development, and self-reliance through participation in a wide range of outdoor activities. Since 1910, the Boy Scouts of America offers helped build the near future leaders of this country by combining educational activities and lifelong ideals with fun. Some practical tips include: Developing a fire How to purify water How exactly to identify common edible vegetation and mushrooms How to transmission for help Developing simple shelters Useful navigation skills Therefore much more!
