But I've however to figure out how to put 2 part molds together, I'll review that chapter following, when this is submitted, but my half circles appear beautiful anyways. Five Stars Very good reference &! After reading this, I attempted my 1st batch of bombs. Much to my surprise, they were PERFECT !Right now I am not really a craft/homemade product guy so I was a bit wary about attempting anything like this myself. I am going to try one of the most exotic bombs next given that I am a bit more confident in my capabilities. smell Heavenly.MADE PERFECT BOMBS ON 1st TRY THANKS TO THIS BOOK ! Great tips for beginners and lots of bath bomb recipes.!) Great Recipes I like the simple and readable instructions.I am searching for this author - I hope she's got some or will have some soon - once again something that's VERY rare for me. But I READ on average 3-7 complete length novels a time- each and every day. Therefore remembering an author's name is just something I hardly ever bother doing. Easy and Affordable Luxury for Everyone This is a review I never expected to be writing! Because the author says, it takes a little bit of practice to have the consistency just right.They were spending so enough time in the toilet I thought I'd give one or two of these bath bombs a try myself and I am glad I did. I'm fairly sure it was because of the warnings of various things like not to use an excessive amount of water/moisture, how to tell when the bombs have enough moisture and such. It just seems much easier to buy something from the store, doesn't it? I must say i enjoyed this reserve.I do have a couple of aches and pains so I thought i would try something relaxing. I purchased this as something special for my wife and child, thinking it would give them a few ideas for those comforting soaks in the bath. My first handful of attempts were a bit too dried out. The instructions were simple and straightforward & most of the substances were easily available, so I quickly got the hang of it. Answered lots of queries and the guidelines were extremely helpful.Up to now, I have tried a couple of different recipes. The GREEN TEA EXTRACT Delight is a particular favorite. Some calls for extra stuff.My 3rd batch look & has a lot of recipes Looks good & It is easy to see the enthusiasm that Jenny De Luca provides on her behalf subject and I look forward to reading her additional books (despite the fact that I will inform my partner that I am buying them for her! I almost never leave testimonials for books, unless I'm extremely impressed by them. Ideal for anyone who searching for easy dishes. Describes very well steps to take.! has excellent quality recipes & They are all very happy with this brand-new edition of bath bombs which was inspired primarily by your book. Love Love this book. I have made most of the quality recipes and they've proved great! Your money can buy it was well worth it! New edition to our bath bomb collection. Friends loved them Tried several for gifts. technique tips. Cheers. They came out great!! Its awesome and now I can help to make more stylish bath bombs for all my bath bomb young ladies which come to my shop in New Zealand. They arrived great!! Friends loved them. Great ideas and helpful hints. However, after reading the author's warnings about some of the ingredients that we discover in industrial products, I thought I would "take the plunge". I must say, nothing at all beats relaying in a warm bath with something I actually made myself! Many thanks so very much for sharing. One Star was not helpful Decent book Nice recipes same recipe except the insert ins Looks great &The book is written in an easy to read style, with clear explanations plus some truly imaginative bath bombs. has a lot of quality recipes. Should be easy for first-time. My wife swears by the Rose Petal Like and my girl (who loves making her own beauty products) have tried most of the book by now! I'll obtain those later. Nice book!I really do have a number of books on bath products & Nice Nice recipes, want measurements consistent in teaspoon, not drops as it would make it easier to make the bath bomb and not have to go back and forth Really great book for beginners Really like this book, great ideas and gets down to the point.I'm very Very VERY happy to possess gotten this publication... love how the writer keeps the ingredients all natural as well
