Ehhh I thought it was actually a box set with individual books but really it's just one single book that's super thin. I am so content I got this boxed place. Need additional time to work my way through them. Wonderful boxed set of books--excellent price!! So many organic recipes an excellent set of books at an excellent price! Lot of recipes, but it's just one book.. She answers plenty of queries I had lets you know what things to get and resources to find them. More than all I needed more fine detail and more information. I was beneath the impressing this was a complete "place" of books.! Great details in every of them Not really a "set" but good formulas It is not a "set", its one book divided into sections. ? Content is good. Just what I was looking for! That is one book.. Excellent book I really love this particular book, It has a great assortment of recipes to make your own moisturizer in order to avoid those items full of chemicals that only damage our skin. For those folks that are continually looking for organic alternative to care for ourself this reserve is a great inversion. Fantastic set of books Love these books, a great deal of great recipes and step by step instructions. Great for a beginner or novice.! I like the formulas though. It generally does not really give you a good idea of how long every one can last and exactly what it is used for. Good Recipes The recipes are good but it would be wonderful if the book would they flat for easier use while building recipes. I actually thought it was a box set, but . Content is great. I'm just starting producing soaps, scrubs, lotions and butters. I keep going back to read them.! Great books Love these books. I actually thought it was a box place, but it's just one book. This book is quite informative. This is the first ... Great books Five Stars Haven't used the self tanner yet but will this week This book is quite informative. This is the first time I've made body butter and such so I'm very excited for more information as I read through the whole book. Five Stars GOOD BOOKS TO Have got. because is one book and incredibly bad printed. Don't expecting to be considered a box set , because is only one book and very bad printed.
