Men may not read this publication for information about the nitty gritty of techniques, but peeking in on just how women discover how to make themselves more beautiful is a lesson worthy of admiration. This is a must read for anyone seeking to enhance their skills in creating the smokey eye look. The Complete Guide to Smokey Eyes Superb book for smokey eyes Five Stars Good for beginners. You find out so much. Best book ever This is the best I have ever read. 'Them There Eye.....' "... you don't need a makeup pro to appear to be a million bucks!! When I purchase these books they to add to my skills mainly because a makeup artist. They are a reference for me. Knowledge is power!! I intend to try all the smokey attention appears illustrated in this publication! Her first book, a 'Comprehensive Guidebook for Beginners' went further than that any in offering assets and lists exploring make-up styles, the various tools of the trade (a lot more intensive than one might imagine), the education and training for the various levels of those who enter the field, the variants for employments versus freelancing, legal issues including licensing and what the make-up artists can and cannot perform under law. And today she takes on a more one on one stance with the reader, teaching professional approaches for daytime wearable to ultra glamorous sultry eye makeup. Gina opens her book with an Launch that says so much about her as an expert and as a beauty coach: 'I once heard a quote that made me personally smile: "I have an irrational fear of wasting a perfect smokey eye on an insignificant day time." It reminded me nevertheless that lots of women believe a perfect smokey eye can only be achieved with the help of a makeup professional. They are convinced they could under no circumstances nail this technique themselves, when it's just them and the mirror. So I thought "prove them wrong". Grady Harp, December 15 I' ll DEFINITELY be practicing and perfecting and incorporating a few of the appears to my makeup video game. eyeshadows, and where you can shop for them), how exactly to prep eyes properly for smokey eye, concealing, blending and shading pro methods, tips & techniques on how best to achieve beautiful lashes (all you need to learn on curling, applying mascara and using falsies), how to ideal the nude lip, the fail-secure complement to smokey eyes, and a step-by-step instruction to applying 32 smokey vision looks, from Light & Natural to Soft & Sultry to Full-on Drama! I gave this book five stars-first I love makeup. Therefore Gina does in this well crafted and illustrated book that rivals her personal first publication in quality and technique of presentation.
