however, it requires more illustrations. Essential buy. Excellent explanation Excellent information! Pictures of mapping for quantity and fan making techniques would have been a perfect 5/10??This is a well-planned manual, with wonderful details.Thank you? A Comprehensive Training Manual Provides a solid base for an eyelash extensions training course for a skilled educator and lash artist. Worth the purchase. Awesome read!! I definitely would recommend this for classes. I couldn't look for a greater volume lash training manual! This reserve is quite thorough and useful, covering from sanitation to building your organization.! Awesome For Instructors! Great fundamental volume book - plenty of useful forms and information. This book was very interesting! I'm excited to try out some new techniques explained. Very good book I think this book is a must for lash artistsThe forms are wonderful, they're comprehensive and will ensure that your clients are fully informed Comprehensive instructional I really am satisfied with this purchase.! Good content insufficient playing pictures This book has some good content;Five Stars Very informative information for lash teaching! If they update with more illustrations then I'll transformation my rating. Very informative I really enjoyed this book. It has a lot of good things u may never think about when it comes to your lash business. I def recommend.
