I love Taymer's Caribbean perspective Kink Alchemy may be the response to my natural locks needs. I really like Taymer's Caribbean perspective. She shared plenty of Caribbean locks secrets that I understand will just make my locks blossom. The author draws you in and includes a extremely personable tone - nearly like getting top secret from your own good girlfriend, who just ?s definitely an professional in the field. I'd certainly recommend purchasing this reserve. I may need to get another duplicate. The formulas are an easy task to make ingredients are available. This book is simple to read and directions are very easy to follow Finally, I got a chance to open this book and instructions were much more simplistic than I expected. She liked the way the reserve was written and the quality ingredients. She is a vegan like the author so she appreciated this publication. It'll save you a ton in hair products and your hair will many thanks. GREAT Reserve GET YOUR COPY! I love this book. Worth the money, time, and effort. Thank you Taymer Mason for all you hard work and especially for posting your knowledge. Love this Writer her books are alive and helpful. Amazing I loved this. Extremely informative and the recipes weren't complicated. This reserve is very simple to learn and directions are very easy to follow. My sister includes a science degree and she took my reserve and I bought the substances for the moringa locks butter. I look forward to more books by this author. Just downfall for me personally is that some of the products are not readily available where I live.
