This book is for older people that intend to exist to the fullest and want to maintain and expand a healthy love life. Compiled by a woman from the 1960's and illustrated by Monica Kekuwa, who offers added playful pictures, this book is a soft and light-hearted invitation to pleasure. Each Chapter provides suggestions for enhancing sexual activity, along with suggestions for improving communications leading to more like and sexual satisfaction.

Not really a helpful book in case you have any difficult problems. Very interesting Not really helpful. It really is about the partnership stupid That is a gentle book that's about relationship building for older people and pathways to raised sex. One Star Not as per expectation. Three Stars The book is OK, but if you expected your spouse to change their thoughts about sex, forget it.
