Excellent read for all professionals This book can be an extremely easy read. It is very helpful to not only beauty experts but to anyone looking at a fresh career. I highly recommend this reserve to anyone who is unsure on what to do with their profession or what methods to take. Amber lets you know what things to expect and what to do and what not to do in virtually any workplace not just salons. This guide is excellent! Amber does an extremely good job in keeping it straight so when real as feasible on how to get through the wonder industry. I specifically recommend new hire employees at the salon to read it before coming on board. It's great for those currently or seeking to enter into the beauty industry.! This book are certain to get you mentally prepared for what profession in the wonder industry you are about to go into and give you tools to be successful! Quite simple, by following this guide and making your decisions, all you're left to spotlight is passion, dedication and hard work. Rowe did a fantastic job of placing the in and outs of the market in phrases she kept it genuine completely.! This is an excellent book if you are thinking of entering the beauty industry in any capacity! Inspirational with practical expectations. Salon owners must have all staff browse this book. Every beauty professional should read this publication! I enjoyed this guide I enjoyed this guide. Amazing! This book really helps puts you in the right direction of being a successful beauty professional as well as an entrepreneur.! Mrs. Great Reserve! Being licensed for 8 years I still recieved guidance. That is for all beauty professionals new and aged and should be in every salon! The writer reduces and simplifies what's needed to make educated decisions within each step of the process.!
