Love You to Pieces, Beautiful Monster: A Literal Tale for Parents and their Monsters

[continue reading](#)

Beautifully written, wonderful illustrations, and a tale that fits every parents daily life. Giving as something special for a new parent. My little men requests it my name!! I anticipate gifting it to additional new parents too! LOVE ?? on the mom needs list! It makes me smile, since it is sooooo true!! Awesome illustrations and incredibly well written. Excellent children's book that makes the frustrations of being a new parent just a little easier to deal with. sooo any mom. NEED.! Very cute I think was the cutest publication I've read to my baby ! Very cute book. Four Stars Different than what I expected nonetheless it grew about me a whole lot..! Got someone to keep and one for a gift! Buy this book Right now!!Parents will love this clever book! This book is PERFECT for any mom. A must have!! Five Stars A lovely book written by a childhood friend! Nice book. If you are a mom who stays house with your monster, or person who has panic or person who just has a fussy kid. Best Best.I really like mine. My entire family loves this reserve! The repeating words are playful and clear to see This book is entertaining for children and adults. The repeating terms are playful and easy to understand. The illustrations, including shiny cover, will have your kids choosing this book to be read regularly. Excellent This book really expresses the real essence of parenthood. Kids could be lovable freaking monsters. I love this story and how it captures the stunning and scary aspect of your little one. Love it! Perfect gift for brand-new parent Love this sweet reserve! ?oh my A bedtime favorite! This book is such a sweet read, my son loves it! It really is a genuine look at parenthood done with kind humor and a lovely spirit! Cute story about your little one! LOL. I cannot wait to read this to my baby quickly!
