Bought this for my parents who are in their 80's and the larger print helps it be easier to allow them to do the term searches. They love how large the print is and they both think it is easy and enjoyable to complete these word searches! This is a straightforward word search book. it is for sure large printing and well . The purchase price is great too! It just does take time and patience to solve all of them. I've already bought another term search book and ensured it was just a little harder.
