I liked that there were places to put in photos to .... I liked that there have been places to put in photos to opt for my narrative. Nice, but there are better options This is an excellent idea for a journal. I ordered different styles for each group of grandparents, and this one was my least preferred. For those whose recollections about Moms are important Sensitively thought provoking and fun. Will foster documenting important memories before the possibility to ask questions is fully gone.sure want I'd had it 24 years back.Great quality Given as something special.....My Mom is not any longer here for me to do this with. I plan to go through this reserve with my husband and his Mom.... Five Stars This was a great gift. Great gift. Loved filling it out with my grandkids! I have done many of this time of publication, but found this on required more time and work to complete.. She loved it
