Great way to spend an hour. My better half actually enjoys doing these word search puzzles and I bought this for him. Obviously he's working tirelessly to complete it, but he does not know that there's already another one on the way. Five Stars Excellent Five Stars Good product Five Stars Keeps the brain in check... True Large Print (and that's not necessarily the case) My 95-year-old father absolutely loves this Large Print phrase search collection and occupies part of his time almost every day functioning through the book. Actually messed up. Somewhere halfway between regular font which "Large" font would be perfect.. Tasteless. Bought a couple of these for my grandmother, she enjoyed the content and the large printing was an ideal size. Perfect for My Needs My wife has Cortical Blindness resulting from a stroke. This can help her therapy at home. This will end up being going in the trash. GIFT These books are perfect for those who are slightly visually impaired however, not enough for glasses. This puzzle book contains a puzzle dedicated to the Third Reich and it's #88 in the publication. Nevertheless, these letters are very much, much bigger than I anticipated.. She's happy and so am i My partner loves these books with the large print. She's happy and so am i. Large print was ideal! Good stuff. nice book First got it for my mother-in-regulation and she loves it Five Stars elderly parents enjoyed Disturbing You've surely got to be kidding me? Huge Font I can see the letters without having to strain my eyes. In a couple weeks, I be prepared to be searching for more from this organization. The book is well constructed and easy to use. or something similar. That is a great method for us elderly folk to pass time without being tied to a phone or computer and it is helpful to keep your mind occupied and occupied and is also rewarding when you discover that last word. No headliners This was something special I hope she likes it
