After a difficult being pregnant, Jayden was created to the idea he completed an ideal family existence envisioned by Marianne. the third child of author Marianne Snyder and her husband, and the one that would alter their lives and faith in God permanently. He was a beautiful, blue-eyed angel; Marianne, for one, strengthened her rely upon God and recognized His gift was a promising upcoming for Jayden. Marianne already had established a strong mother-son relationship with Jayden, and this relationship intensified as she tried to open Jayden up and become Christlike for her children, even while enduring criticism of her parenting. The family members saw Jayden find freedom through art and experienced compassion from others because they learned Jayden's autistic traits and showered him with appreciate. However, in her new autobiography, Tears of Guarantee, happiness turned to shock when Jayden was identified as having autism and begin showing sensitivity to sights and sounds.
