Not a complete book of color by number Excellent cover, it includes a soft texture to it. You obtain 20 pages of great color by number photos then my disappointment occur; Disappointed that only half of the book was color simply by . A few samples could have been okay but I was expecting the complete book to be color by quantity and 3 of the free trial web pages I didn't like at all therefore i tore them out of the book. So the description says 72 pages nevertheless, you do not get even half that many to color and even less which are color by quantity. I really like both color test web pages in leading.If you are a person who wouldn't like the quantity and guide, you could just use any color that you wanted. I can see teenagers loving this as well. I like the amount of detail, you will not spend hours coloring a single image but you won't be done in ten minutes either. My sight is not so excellent and these sections are big enough that it generally does not put extra strain in my eyes. Large Print Adult Color by Amount Book I love coloring and I think it is a stress alleviation, but We am not the most artistic. Occasionally I can't decide what color to use. Very easy Very easy coloring pages. A good color by amount for anyone who likes flowers, butterflies, and backyard type scenes. Each night I end my time by coloring a full page and I enjoy how I feel through the process. Nice color by number Pretty large designs but still enough detail to make it interesting. Is ok.. Five Stars Nice big photos for the blind. But simply for coloring for leisure they ...The images are large print and easy to see. I have several the other books from Lilt therefore i knew what to expect.They're decent, but paper isn't the best quality. But simply for coloring for leisure they're just fine. 9 web pages of sample web pages from various other coloring books but they are not color by number... Disappointed that only fifty percent of the book was color by number for the purchase price. I have much better books which have more styles and better paper quality. My sight is not so excellent and these sections are big enough that it generally does not ... Also includes bonus images from their other coloring books aswell. I also enjoy that it is color-coded for those occasions when I don't feel just like getting creative but just need to mindlessly color. but paper isn't the best quality. I like this book!...lol Paint by quantities adult coloring book Love it! Keeps people calm Variety Grams loves it Gift for grandma, and she loves it! It has been actually fun because I could just color and use the color/number guide without having to think. Also contains a portion of non color by quantity pages. Beautiful Really beautiful and fun Just what I want as a coloring novice! This reserve is my favorite since I do not need to take into account what color to make use of where on the page. I just began destressing via coloring. I numbered a large sheet of paper 1-20 and placed each pencil, gel or marker pen following to the associated quantity. There are 20 color pages and 10 bonus images from other books they have. Since these web pages are not perforated, I place a sheet of paper behind the web page I'm coloring. No decisions to make and you get yourself a beautiful masterpiece performed by Moi Very relaxing! This may sound weird but I will probably buy a different one. Great to flip back through pages to observe accomplishments. No decisions to create and you get a beautiful masterpiece done by Moi!
