STILL WONDERING HIS WAS SECTION OF A BIRTHDAY Present FOR MY SON-IN-Rules AND HE NEVER EXPLAINED IF IT HAD BEEN USEFUL. Four Stars It had some good styles in it. Good Laugh I'm confident 2 drunk guys wrote this book. I love the pictures that include the explanation. I've laughed then entire time my boyfriend provides been reading it. Would recommend buying. As expected. Good pics I bought this for my husband to try different beard styles. He simply grew his first full beard this season and wasn't experienced on how to maintain one. This reserve has good pictures and descriptions to follow. Excellent Book For those who have a beard or are thinking of developing one, THE BEARDED GENTLEMAN is crucial book to have Would recommend. I would not recommend to anyone. It has tips for shaping and styling, and is a superb book for just about any bearded gentleman to possess. Would recommend. Would order again. Very Helpful Book I really like this publication it goes through a huge amount of beard styles and provides you some instruction on what you should do so far as trimming and cutting to achieve that style and appearance. Five Stars Lots of great styles and information. Good info. A great book My hubby really enjoys this reserve. That can be done better by yourself as far as revelant up to date styles. Was not impressed, however, had not been that expensive. not many styles you could try your barber. Would purchase again On period. If you like a specific style you discover in a magazine, simply rip it out, would will fare much better than buying this publication with few Illustrations, and lots of chatter.
