Recommend to Anyone I liked that the publication came in wrapped paper. He uses it everyday. Just For Today A beautiful book for NA recovery. And in addition because it is a highly read book, and once and for all reason. Five Stars great Five Stars love this Thanks Received as promised. START YOUR DAY OFF RIGHT! I like that each time is random but always seems to be just what I need to hear. I personally like how each month DOESN'T stick to the 12 steps (example Jan=Stage 1, Feb=Step 2, March=Step 3). Great book to read and start the day off right! I happen to love this particular meditation book much better than the Daily Reflections (AA) although that certain is good too. I keep this within my desk at the job and another ... I keep this within my desk at the job and another at home beside my bed. I also like that owner wrote a never to me on the receipt. Love the book Love the book, wish it came in Kindle format. The backing has to be pulled tight to totally expose the pages. Probably why so several have broken backs. He likes it! Great publication. He uses it everyday. Great Great It's written by addicts, to NA members Very inspirational assist in every day living Just for today. Comes with a ribbon bookmark in the publication . Four Stars My granddaughter really loved and has been using this every day.It was a gift.. I examine from it every single day. It was just a best wishes be aware but it was nice. It was a gift. I've were only available in on the reserve and it's great. The best copy of this book ! The faux natural leather is gorgeous! No problem helpful a must
