Okay, so no one promised us a rose garden, however, many days we need a little help viewing the bright part of Nursing when we're neck deep in the "weeds! Have to confess the best all time Poultry Soup Publication was the 1st one--WAS. Highly recommend The Best Chicken Soup Ever! She was very happy to get it and couldn't wait around to learn it on those nerve-racking times of her internship. Us nurses have to feel appreciated sometimes and there are a down economy where we really want to stop but stories such as these motivate us to continue thriving to the rewarding profession. GIVEN THAT is the BEST of all Chicken Soup books. Lots of stories produced me laugh, some produced me cry - overall, a great read! This book, a shining tribute to nursing, contains impressive accounts of nursing found in few areas! Great gift for the nurses we love. Who is there on the front range save for the doctors and nurses? It's a brief, sweet reminder that reorients us back again to our true passion and transmits us back again, refreshed, to serve a later date! If you know a nurse, love a nurse, or certainly are a nurse... you must understand this book and keep it near! Recommend Great tales - uplifting, tearful, relatable. It arrived on time and was brand new. Chicken Soup for the Nurse's Soul, a reserve which honestly depicts the countless difficulties which come from being truly a nurse. Nursing in the current hospitals may become routine, mundane, over-worked by the long, tough hours and high census, with little rewards--except for the sufferers and their own families, who require soft, loving care in a time of greatest want." This book is it! Should care-givers temporarily ignore why they went in to the field, the sweet stories inside the covers will motivate them as to the reasons they underwent the trials of nursing college. Then in 2011 they released Chicken Soup for the Soul Inspiration for the Young at Heart. Our Silver Lining! Wonderful insights from common people I collect (and regularly contribute to) Poultry Soup for the Soul books. I currently have over 110. I had a hard time finding this book since it isn't offered by local book stores. It's a fabulous read. This was a gift to my daughter who graduated nursing school. The individual encounters that nurses leave a healthcare facility with are probably what will keep nurses returning for another and another change, when they reach down inside of themselves to lift both affected person and families carefully and, at times, inspiration. It's for folks over 60--or who plan to be. As a fresh nurse, reading nursing stories from others help motivate me personally and helps relieve a few of the stress/pressures of being a new nurse.
