## Milady's Standard Textbook for Professional Estheticians

[continue reading](#)

It has been made to provide college students with the skills to render professional providers and to pass State Plank Examinations. This up-to-date, two-color eighth edition is a complete resource that fully explains and illustrates the knowledge and skills a student needs to plan a career as a professional esthetician in the diversified regions of skin care, like the cosmetic industry. The entire course of study allows for versatility, allowing instructors and learners to adapt the materials to the system they find to be most reliable and practical.

Five Stars Great book for anyone interested in esthetics. Very solid and full of useful professional information! Great Great textbook. A personal reference Challenging Internet advice available. Older edition textbook.. my state board because of this publication and my amazing college within Los Angeles I passed my condition board thanks to this reserve and my amazing college within Los Angeles. I'm not really a college student, but I discovered so much for my very own skin.. Learned a lot Excellent reference. . I decided to buy a cosmetology book that is used by students/professionals. As a general guide this reserve has been useful in disseminating through all of the online articles/community forums regarding skincare. Five Stars Great condition and an excellent reference book. Five Stars Thrilled with my purchase. Five Stars AA+++++++ A+ Item as described, many thanks!
