Many of the ideas in here are easy to follow and require no other materials besides the ones easily bought at home, at the supermarket, and at the beauty supply store. tricks This was a surprisingly good read, especially if you do not mind mixing up a few of her concoctions by yourself. Lot's of good info and quick tips about almost every beauty topic. How about using some petroleum jelly to ease the sting from a paper lower? This book is a very wise purchase. Great ideas I've had this publication for a long time and bought this copy as a Christmas gift, it was a big strike and the tips are useful, useful and generally easy. Would recommend. You can learn to take care your skin layer and your health . This is a good book. Four Stars Liked it! Good, practical advice. Spending budget conscious "fixes". The Best! This book gets the best of everything, I cant even let you know how much I love this book. Or that soaking a skin burn in milk for fifteen minutes will soothe the burn? You can find makeup tips, nose and mouth mask recipes, and closet points, just to name a couple. For example, did you know that a corn food and papaya treatment could make the dry skin on your elbows feel super smooth? Fantastic Beauty Book Diane Irons' "911 Beauty Secrets" is filled with many beauty tips, model and celebrity secrets, diet plans, homemade remidies and masks, plus much more. Fabulous tips & Plus, the book includes style and shopping ideas, with advice on everything from what to put in your handbag to and the clothes that will work greatest for you. By August 2000, it appears very up-to-date as significantly as fashion is concerned. Save your valuable money and pass on this one. The best thing about this book were the wonder masks and treatments. I'll keep this reserve until I die! It explains so much in an exceedingly easy going method. I bought another book before that one and am certainly happier with this one than the various other. These are just some of the marvelous beauty treatments you will find in this reserve. I recommend it if you would like quick tips in stage form on how to look after yourself and deal with emergency beauty situations. Trust me, after you've bought it, you will end up refering to it all enough time to look your very best! Camouflaging info worth cost of the book Diane Irons sticks pretty close to standardly accepted beauty procedures in this book, nonetheless it is definitely good to have all of the tips collected together in one book. The best info was in the section about camouflaging -- Diane provides us abundant tips about instantly "losing" weight by using makeup, locks, and dressing tips. This book is filled with secrets on every beauty topic including makeup, skin, hair, clothing, exercise, attitude, and others. The book is formatted in an easy-to-read way, and includes celebrity tips as well as Diane's own procedures. There are various quick emergency fixes in right here, such as looking after cuts, skin burns, cold sores, etc. For anyone who is interested in having all the wisdom of many years worth of fashion magazines, this book may be the one. Fiue Stars one of the best tip bookevery female should liv we couldnt live without it thank u Useful solutions for everyday problems. I gave my duplicate away This beauty book isn't very good. The suggestions is quite dated and the composing is not engaging. Plus, you will get good guidelines on choosing the right types and colours of cosmetics, quick beauty fixes, and more.
