The family photo albums, the classic film costumes, the telegrams and medals, from the internationally-beloved icon, The Duke! All collected here for the first time. An undisputed American icon, John Wayne is recognized the world over for his signature drawl and confident swagger; And he's what they hope it will always be, and an excellent American artist. John Wayne: The Legend and the Man celebrates Duke's lifestyle and legacy through film stills and backstage photos and snapshots ranging from his cinematic masterpieces—to a surprising selection of early-career, leading-man films: The Big Trail, Stagecoach, Flying Tigers, THESE WERE Expendable. Also included are a wide range of fan mail artwork; In my acting, I must identify with something in the character's personal archive. Duke was more than just his on-display persona— He's what they believe it to become. John Wayne (Time, June 9, 1967) of the memorabilia, the private moments, the internal thoughts, and familial remembrances, John Wayne: The Legend and the Man captures both the man and the myth and furthers the legacy of the giant of American cinema. "This wonderful collection of photographs gives us John Wayne the figurehead, John Wayne the actor, and John Wayne the human being. Martin Scorsese, from the Launch "is a rich encounter to look through these pages and discover where Wayne's three roles converged and diverged... True Grit, Rio Grande, Sands of Iwo Jima, The Silent Man, THE PERSON Who Shot Liberty Valance, Fort Apache, and The Alamo— And in every the photos, you see another, earlier America with different ideas of glamor, beauty, fashion, and behavior, a world that now feels as distant because the renaissance. A movie-made hero... a superstar, among the very first..." This fall, John Wayne Enterprises provides selected powerHouse Books to produce the first-ever exclusively certified photographic record of his existence, both on-display screen and off. This book affords us a generous look at John Wayne out of every position." All I do is normally sincerity, and I' It' —he was known by loved ones for his warmth, charm, charisma, enthusiasm, loyalty, and spirit. He is what they hope it'll be. the ultimate personification of American courage and honor." To individuals of the world, John Wayne may be the United States of America. Conserve me from the nuances. Hara " family members albums, photos from close friends and family members, and the countless treasures gathered over the years in his immense archive (famed film costumes, publicity photos exchanged with costars, telegrams and medals), most of the photos and these personal results being released for the very first time, and all from Duke' The big challenging boy privately of best—that's me personally. Simple styles. Maureen O' —ve been offering the hell out of that ever since I started. an image of manhood... — Via an in-depth exposé

The Best John Wayne Photography Book Ever Written I have to have paged through this publication over a half a dozen times already but still keep going back again to go through it over and over. The family did their dad proud to publish photos from his childhood through his film career including candid shots with his family, close friends and fellow actors/actresses. Photographs from all over the globe this publication will be in the hearts and minds of Duke's fans for years to come. Every John Wayne fan must have at least one duplicate of the book. Great pictures arranged on a coherent style. When it arrived, I started thumbing thru it to get a better idea of what I experienced just purchased. He arrived in a period when there have been limited avenues of entertainment and he filled one of them, movies, to the brim. Happy Holidays! A keeper.. I couldn't put the publication down... They are fabulous! The reason why: they are photos of him in a family setting. Regardless of motivation, that is one fine volume and should appeal to anyone who was simply a lover of the big guy and I have to confess to getting among that crowd. I purchased two just because I knew I'd eventually use the first one out studying it and showing it to additional fans. A nice visual history of an actor the caught the imagination of many generations of the movie going public. So far there is only 1 page within that was a issue and it is page 115 where Pilar discusses John and it says continuing on page 76 and there is no continuation. Thanks go out to his children for sharing photos from the family archive. Long live the Duke.impressive.. This was something special for my father and he was surprised there have been photos in it he hadn't seen before. It includes pics of the Duke that very, hardly any have ever seen. In part due to continued fan interest, and I suspect, partly because somebody thinks it's time to launch before this icon fades from the collective memory space. They are personal and also have just been released by the Wayne estate. Seems like lots of books linked to John Wayne out lately, and even more to come.. Really worth the money and then some. I couldn't place it down all night! There are sentiments written by Ronald Reagan, Maureen O'Hara, Martin Scorsese, and others. Wonderful book! I would recommend this seller. I am now 75 and I cannot keep in mind any moment in my life when the Duke wasn't part of it until he passed away.! I am proud that he performed football at my Alma Mater. Going thru this publication and viewing all the great photos helped me understand who this guy really was. John Wayne the Legend the Man Not quite finished with the book however nonetheless it is awesome. Needless to say, since I was a youngster, John Wayne is definitely my favorite actor and still can be today. No, there are none out there that can match the energy of the Duke. It generally does not take anything from the book as far as I'm concerned it's still worth the money I paid for it. Love it. This is a beautiful reserve that should be left out and displayed I bought this for my father as a gift and he absolutely loves it. This is a beautiful reserve that should be overlooked and displayed. Amazing picture book of The Duke! We gave this to my 3 year aged nephew mainly because a birthday present (he LOVES The Duke!); he and his brothers and sister enjoy looking at all of the pictures and reading the captions. The adults have appreciated it too! There are a great number of family pictures that provide fans a special look into John Wayne's life. When you have adopted and adored the Duke from his early years when you were a kid (as I've) thru all his ups & John Wayne can be my hero... That is a PHOTO book!.. The best John Wayne book--EVER! Greatest John Wayne book--EVER! Plenty of previously unseen pictures This book is a delight. So many pictures of a beautiful guy plus both candid and posed pictures of his family, including his seldom if ever depicted first wife. I first noticed this book offered for sale at the Phoenix Art Museum for \$45. Luckily I walked away because it was tremendously cheaper on Amazon. Love this big beautiful coffee table book with big photos upon almost every web page with dates and locations. Actually, he is still a part of it because I very own Most of his movies watching them regularly. Packaging wasn't too bad for such a big reserve on the heavy part. Great pictures and stories about the Duke. Appreciate this big beautiful espresso table reserve with big photos ... I love it! This was something special for my dad and he was . I love this book. downs, you will luv this reserve. Five Stars great Five Stars It was excellent Five Stars Really great book will need to have for just

about any John Wayne fan A must have for just about any fan of the Duke. A must for any enthusiast of the Duke.
