What to Know Before Seeing Your Pediatrician: An Illustrated Guide for Parents

[continue reading](#)

What to Know Before Viewing Your Pediatrician can be an illustrative guide to educate parents on common pediatric topics to help reduce anxiety and stop unnecessary appointments to the physician. The book includes simple guidance and color illustrations on key topics like the common cold, fever, vomiting and diarrhea, vaccines, ear and sinus infections, bronchitis, laryngitis, and more. Written by a board certified pediatrician, What things to Know Before Seeing Your Pediatrician covers the basic information that parents should be aware of prior to taking their kids to see a pediatrician. From the eBook edition.
