

The background of the cover is a dark, starry night sky. In the upper right, a woman in a red dress floats horizontally. In the upper left, a person in dark clothing falls upside down. In the lower left, a group of people is seen in a state of falling or floating. In the lower right, a golden chalice or goblet floats vertically. The overall scene is ethereal and dreamlike, with soft, white clouds at the bottom.

Cogent insightful and amazingly useful Exceptional how cogent and insightful DeBord's definitions are. "figuring out your dreams" ought to be in the beginning of the reserve, not the back Not a good likeness of what a dream reserve should be. Great reference but somewhat general. Surely one quickly learns what we think something in a fantasy means, is often not the case, after looking it up right here, DeBord actually can help you feel better.It does not give real meaning. DeBord. Dream Images explained A thorough dictionary of dream imagery." The dream interpretations in this publication make sense and help the dreamer complete the complex unconscious fantasy world. Not really a deep examine, like Jung's Psyche and Symbol but an instant reference for those interesting dream images. My go to dream book One of the absolute best books on dreams We've found - I desire a whole lot so I have quite a few fantasy books and sites I go to every morning. This book could very well be the most detailed when it comes to the depth it provides for symbolism. Great book My go to book when I wish to interpret my dreams. A bit wordy and pretentious, but plenty of info included I found the intro a bit pretentious and know-it-all-ish. Also, a few of the items I've dreamt about repeatedly are not in right here. I'm still taking pleasure in looking for items in here, though, to find what it says. It's obvious there are numerous opinions upon this and Let me have more books upon this topic. Daughter loved Was a gift. This is too simplistic.. For example I couldn't find word " mud" but Snoop Dogg was within??! Basic and to the idea. Interesting information This isn't what I thought it would be, there's a lot you need to figure out for your own self, which makes sense, but I have used it often and it offers me some thought into what my dreams may mean. Rambling but comprehensive, simple, & accurate Pros: comprehensive, simple, & It's very hard to read due to its small prints with no pictures or boldness. It's as if one could say "why didn't I think of this? Daughter loved it Alot of useless ramble Lots of words wasn't included which made figuring out a unitary dream impossible.. Book is a total miss for me. Thanks for your effort and passion for this arcane dictionary Mr. accurateCons: rambling & To modern-day for what I want. My pal loves it. Was something special for a friend who is extremely curious of dreams. Simple to use and great setup. I only want the author had a website that he up to date daily with brand-new symbols, he is a natural and gifted in this area. Seriously?
