Great book. It gives soapmaking Great book. It offers soapmaking, lip balm, skincare and home spa quality recipes just like producing a batch of cookies. Plenty of beautiful images - I am savoring my copy. A superb reference for those who love to pamper themselves or those they love. This book is simply fantastic, I really like it! The Natural Beauty And Bath Book This is an excellent book, filled with recipes. The guidelines are an easy task to follow and the recipes are for simple, natural products that anyone can try their hands at making. I am making homemade organic bath, beauty, family pet, and household items for awhile now, so this reserve to me is merely perfect. This is actually the way to take care of your skin, the way it was completed by our grandmothers, with many things you may curently have in your pantry, herbal products and plants you are growing in your garden! If you are a beginner, that is a great reference to have in your collection. A superb reference for those who want to pamper themselves or those they love. Recipes using actual easy to find ingredients makes the procedure fun and with a gratifying result that you can use or give as present. Five Stars Delivered quickly great book for individuals who like all natural beauty Book Good book with lot's of information. Great for experimenting making your own products and once you do you will be hooked. Excellent practical easy to follow recipes. Fantastic Book! Most of the recipes are made to be used immediately, or in a few days, as no preservatives are utilized, just antioxidants - like vitamin E. Excellent practical an easy task to follow recipes. A superb reference for individuals who want to pamper themselves or those they love. Quality recipes using actual no problem finding ingredients makes the procedure fun and with a gratifying result which you can use or give as gift. Excellent practical an easy task to follow recipes. I highly recommend this publication to those who are thinking about making your very own lotions, encounter cleansers, etc. Dishes using actual no problem finding ingredients makes the process fun and with a gratifying result that you can use or give as gift.
