This portable pocket guide to baby basics ties in a diaper bag or stroller pocket, rendering it a great resource for on-the-go moms and dads. Covers deciding on a pediatrician, jaundice, diaper rash, earaches, immunizations, rest, reflux, fever, and much more! Written by two pediatricians, Baby Treatment Anywhere addresses 150 of the very most frequent questions and problems raised by new parents.

Which is 1%. While most of the publication was very good, I was highly disappointed that it recommended routine infant circumcision. It stated that 1 in 100 intact boys are certain to get UTIs. Eh. I would recommend to all or any expectant moms! Must have for new parents! Excellent Book Great tips! Exceptional Dr!!.. Which can be treated with antibiotics, not surgery. Great handbook for a fresh parent! Five Stars Love this book for new parents! Five Stars Great publication! They recommend removing normal, healthy areas of the body for a 1% of a UTI. moms plus they all felt this content was very helpful and handy to have bought 3 copies designed for brand new moms and they all felt this content was very helpful and handy to possess. Extremely helpful advice! We felt like I was sitting down in the exam space with my child asking the questions which are in the book. ... I really like toting my pediatrician around with me. Spectacular Book! Five Stars great book, easy to read and understand.
