PREPARE FOR & SURVIVE
AN EARTHQUAKE

EARTHQUAKE SURVIVAL - PREPARE FOR & SURVIVE AN EARTHQUAKE

James Kavanagh

Earthquake Survival: Prepare For & Survive an Earthquake (Urban Survival Series)

[continue reading](#)

Approximately 41 US says are at risk of moderate to serious earthquakes, and incredibly, these states are located in every region of the country. Earthquakes strike with devastating pressure and often without warning. Also contained in each guideline are smartphone QR codes that connect to the websites of various emergency services agencies. Predicated on international protocols, Earthquake Survival targets what folks can do before, during and after an earthquake to protect themselves and their house. Laminated for durability, this portable guidebook is an ideal source of quick and accurate information. Made in the USA.
