Based on international protocols, Tornado Survival targets what people can do before, after and during a Tornado to safeguard themselves and their property. Laminated for durability, this portable instruction is an ideal source of quick and accurate details. Spawned from powerful thunderstorms, tornadoes can cause fatalities and devastate a community in seconds. Also contained in each guideline are smartphone QR codes that connect to the websites of varied emergency services companies. With more than 1,200 tornadoes striking the united states every year, they cause vast amounts of dollars' worth of damage. Made in the USA.
