Cover ripped The cover came ripped and the manual was almost completely filled out. Clear to see and illustrated Price was correct and I plan to sell back It was okay The product did have significantly more wear and tear onto it than i expected it to, but it was still very useable. Child is excited to have the reserve for significantly less than they billed for a brand new copy! Two Stars Very poor condition, front more than is falling off. Works for me perfect to study and was in great condition. Much better than I had originally anticipated. Three Stars Cover is ripped off when I received it and the back is ripping off too Nothing Very good condition One Star book was broken Better than expected Publication we recieved was in great condition. There have been not really some markings, it had been all marked, damn near.
