Living in a time when it had been scandalous even showing a little bit of ankle, a small amount of courageous women protected their bodies in tattoos and traveled the country, performing nearly nude on carnival stages.almost 25 % of Americans will have tattoos– Though they spawned a cultural movement– These gutsy females spun amazing tales for captivated audiences about abductions and forced tattooing at the hands of savages, but little has been shared of their actual lives.these women have largely faded into history. The Tattooed Lady uncovers the true stories behind these ladies, bringing them out from the sideshow realm and to their working course realities. A fascinating read, The Tattooed Lady pays tribute to several unique and amazing ladies whose legacy lives on.s history, circus lore, and includes a lot more personal and professional details from modern tattooed ladies. Combining thorough study with more than a hundred traditional photos, this updated second edition explores tattoo origins, women'
