Light Healing College And then to be fortunate enough for her to write a book is amazing. Ashley Leavy addresses the basics of dealing with crystals, then movements into incredibly detailed specifics about 100 of the most popular and helpful crystals you'll want to utilize. This is a wonderful, straightforward, clearly written, informative addition to the many books available on the topic. It's a terrific book to introduce readers not only to the features of the 100 crystals chosen, but also contains geological, historical and much more information readers will find very helpful. Five Stars The gift recipient adored this book. Right now I get it!" moments as you read. I'm so excited. Just what a wonderful new resource Ashley Leavy has shared with all of us who've a love of Crystals. I have acquired a significant "crystal reserve library" I love this one!" I hope Ms. I realize plenty of reviews may say that, but I am reading about and learning books on crystals seriously for approximately a year now. Many ways to sense a crystal's energy are given along with the descriptions of the 100 crystals and stones and how exactly to utilize them. It's very hands on and "crystal clear! What a great reserve for both beginners along with those who are more acquainted with crystals. Leavy will continue steadily to write and publish even more upon this topic! Five Plus Superstars! Already the best Crystal Healing reference! An amazing source for crystal teachers, healers and college students alike! There exists a wealth of information in this wonderful book. Rest assured that I will be showing this publication to my students and extremely recommending they obtain it because of their own library. THAT I love! The grids are easy to follow. As a Crystal Reiki expert teacher and mineralogist of over 26 years knowledge, I do seldom come across myself impressed with new books about them. She also chose to discuss crystals which are easy to purchase and ideal for everyone's collection. I am extremely impressed with this reserve, and I plan to even use it as a crystal reference for teaching my children. This will now become my go-to Crystal reserve! I've completed Ashley's Basic Crystal Healing certification training course, and like having all this knowledge in a single easy place to refer too.! Must have reading for just about any crystal employee! I live all of the tips, historical information, keywords, and correspondences. Ashley Leavy once more has provided a brand new and gorgeous exception. Her personable writing style and practical approach makes for an instant and easy examine. The images are gorgeous and the design of the publication is very easy for a beginner to comprehend. Additionally, there are enough lesser-known facts and tips and ways to make this volume well worth the attention of a more practiced crystal practitioner. Ashley Leavy has truly crafted a work of art and informative guideline for interested readers of all levels. -Thomas J. CRMT, CNH, RHP, RMP Extraordinary new resource for Crystal Therapeutic! You can find pictures on each web page to greatly help the reader retain the information easily. Whether you are a long time devotee of crystals or just beginning your crystal trip you will LOVE this book! The images are incredible and how unique and lovely that they are all from her own collection. Crystal Wow! I show Reiki students how to use Crystals within their practice. This publication is just not a crystal identification publication, it has got many elements to it. That one is extremely well thought out and provides you a powerful, quick research on each selected crystal. The info is invaluable and professionals along with novices will be pleasantly surprised at its appeal to everyone. It is succinctly but personably created and very clear to see. The pictures are clear and from Ashley's personal collection. This book is absolutely the best. I have many This book is absolutely the best. I've many, many Crystal books and have been associated with Crystals for a long time. Ashley Leavy has put most of her accumulated understanding into this book and the result is a must have book! Excellent Book! I have innumerable books on crystals. Five Stars love it Three Stars disappointed I believed there will be more lay outs Among my Go-to crystal books This is one of my go-to crystal books, when

searching out the healing properties of stones. ~~ Nancy Johnson THE ONLY REAL Crystal Healing Book You Will Ever Want!. It's so easy to learn, comprehensive, touches on so many topics like meditation with crystals, choosing a crystal, affirmations and crystals, crystal grids, healing with the chakras, crystal properties, therefore much more. If you bought crystals and do not know what to do next then this publication will teach you everything you need to know. I recommend it!! Thank you for an awesome reference, Ashley! Interesting. Don't Miss This One! It's really helpful that the descriptions of the crystals include ideas for ways to work with them on the same page! That makes it much easier to get started, especially if you're dealing with a new-to-you crystal. Outstanding Reference! I am a Reiki Master Teacher, Crystal Healer and Color Energy Employee. This is such an excellent book for all sorts of crystal working! A lovely hardcover book filled up with beautiful color photos and useful information for all you crystal addicts like me. But after taking many Crystal courses from Ashley Leavy - Like & Congratulations Ashley! Crystals My first!! I love the design of the book.. As a crystal healer I've read and reviewed a lot of crystal books and this is one of my absolute preferred crystal healing books. Awesome book I love this book the images are very well captured and clear Energy Healing through Crystals Good. I really like this book since it covers a lot of information about a lot of crystals without having to be an unmanageable size. You will probably find yourself having several "aha!! It discusses ( and displays) crystal gridding , crystal body layouts, it is a publication that cover so many possibilities with Crystals I will suggest is to anyone as a " WILL NEED TO HAVE " reserve for your collection. Highly recommend you add this to your crystal reserve library! This is among my favourite books to recommend to beginners in the crystal world This is one of my favourite books to recommend to beginners in the crystal world. The info is apparent and concise, and it includes many hands-on activities to motivate you to make use of your crystal collection to improve your life. Compiled by a practiced practitioner and instructor, Crystals for Energy Healing is both a helpful reference guide and wonderful introduction to the globe of crystal energy.
