Great girl fun This book is very cute. What a fabulous gift! Love it. Bad Hair Day. An excellent little gift to provide someone without spening lots of money. The sayings are hilarious and relatable. Generally whenever we hare in the middle of one we are NOT laughing. Simply Adorable!! Because of the recession, We had the great idea to forgo my fancy shmancy New York colorist & stylist and trim & color my hair myself!.! After I finished the blow dry, ruined my hair forever and preceded on to a anxious breakdown. If you would like an AFFORDABLE clever present, that everyone can relate to.! my best friend offered me with this lil lifesaver book "Due to my Locks". By about page 11, I experienced forgotten my extreme bad hair day time and smiled from ear to ear!.. But when you step back again, grab this wonderful little book you go through with an insider's knowing giggle and sometimes laugh aloud as you experience a sense of cammaraderie challenging other women with curly hair who wish for direct, and the straight haired ones who imagine waves. I actually just bought 10 more to have readily available as last minute presents since 1 size fits all!) or anyone searching for a smart, funny and adorable book to read..We am anxiously awaiting your next book. This is a fabulous pick-me-up for all your hair-challenged females out there- and who isn't! My colorist was kind enough to give me his duplicate as I sat in his chair and complained about a disastrous conversation I had right before my locks appointment. This publication allowed me to have a deep breathe and understand it wasn't the end of the world for me - in fact, it totally transformed the course of my day. Needless to say I replaced his copy and just purchased 10 more. This is a fun little read. Feel good (or better) over poor hair days Females from 8 to 80 (and beyond) can chuckle knowingly on the hairy observations in this small gem of a publication. Funny, easy, many laughs - at a perfect period with all that's going on. Great publication, great gift for all women, ladies, and girls..this is it! Essential read for every woman...on the path to loving her whole self, beginning with her hair. You aren't alone Who has NOT had a bad locks day? I love this publication - it's funny, simple, and so so accurate. What woman hasn't had a day where her hair made the difference between an excellent and a bad day? This is a great book to talk about with friends, people that have good hair and bad hair - because most of us wish we'd what we don't. The succinct observations on every woman's crowning glory--and potential disaster zone--along with the whimsical drawings by co-writer Jo Lamarca Mathisen, add up to the perfect gift for mother, sis, girl, auntie, nana, greatest bud, and the hostess who has the rest. I bought a few for my friends plus they love it! Hair-raising riot! Love this little book! I REALLY LIKE THIS BOOK Thank you Many thanks Thank you because of this adorable, pick myself up book. I purchased several for my BFFs because it's the perfect gift and a really fun browse. A feel-better-about-your-hair book which you can't miss! It's a winner!GREAT BOOK DAY! I received this book from a girlfriend of mine and I go through it cover to cover. It really is poignant, smartly written and a joy to learn. I would recommend this to whoever has had a poor hair time (who hasn't? Thank you smart, fun authors.
