Records, attendance, expenditures, hours, payments, etc. The Redleaf Calender-keeper is awesome! I would recommend this to anyone in the childcare field. I really like this calendar for my daycare business I really like this calendar for my daycare business. In addition, it gives you dishes and activity ideas. In case you are in childcare this is an absolute must have item. If you are searching for a straightforward way to keep track of everything for your daycare In a single place this can be for you. FCC calendar I bought this calendar for my fresh daycare since my boss hasn't explained how to do our taxes however and I wanted to be together with our game with this. It's especially great for my house daycare and keeping all the details I need during tax season. It would be really cool if it was included with meal plans for every day but I assume that above and beyond they even tell you how to fill out each sheet. I am purchasing this later on as its a lifestyle saver actually has attendance sheets. Calendar Keeper The calendar pays to and informative. However, it is extremely convenient and enables you to maintain your records organized. Fortunately that you can record a whole month of attendance using one web page. The downside is definitely that the space to create the hours in is very small and hard to create the time in, that makes it difficult to read when tallying up the hours. I purchased this mostly to keep carefully the attendance record. Great Tax Tool Best business taxes decision I've ever made. love this book Best record keeping reserve for family child care. It's easy to follow. Five Stars Excellent Five Stars Perfect completely aroind Five Stars very useful in my own work! Super fast shipping Helps me to end up being organized and ready for tax time. Five Stars Great item for keeping records for tax purposes. Home child care business must-have! Very fast shipping! Great Product for In House Child Care Love Calendar Keeper . The purchase price, availability and delivery was very good.. I've utilized them for years!.Must Purchase for Daycares! It is possible to keep track of payments, attendance and expenses. It has lots of room for multiple kids. I take advantage of it for my bookkeeping, it has record pages for each month along with activities and recipes! I can also claim this for a business tool. An In House Childcare Must Have As an in home childcare company this keeper is a must have. It is concise and makes tax time less less demanding as all totals and deductions are in my fingertips Five Stars This item is awesome for record keeping I utilized it to get ready for my taxes. Every home daycare owner should use this for record keeping. Useful sections for expenditures, income, attendance, and meal counts, time/space calculations. Have utilized it for the last 24 years for organization. Five Stars Highly recommended Love this calendar Like this calendar! It's terrific and I really like the break downs and the actual fact it even provide you with a recipe and snack foods for every month. With this toll I'm going to be able to full my taxes next year without needing to read through old receipts and printing out bank statements.
