Tortora and Keiser organize conditions over fifty broad classes that are fully cross-referenced to the alphabetical listing to market knowledge of related terminology. Dictionary of Style, 4th Edition builds about the success of earlier editions with over 15,000 entries, including apparel, components, and their components, historical and textiles terms that relate with contemporary style and the vocabulary of the style industry. Lavishly illustrated with over 800 illustrations capturing the styles and information on fashion, this reference work is a must have for learners, designers, style merchandisers, historians, and style enthusiasts.
