Parents of babies in the NICU want essential information but also a way to mark their baby's first days and weeks after birth, even if items aren't. This gorgeous spiral bound journal provides essential educational content material and a keepsake for parents to record their baby's progress as they envisioned them. Journaling prompts remind parents to record their infant's vital figures and jot down queries to question the medical team. Parents should monitor their baby's condition week-to-week and to commemorate special moments along the way.
