An upbeat memoir to savor and admire, *Still Alive!* .Prostate surgeries and hysterectomies are not immediately visible at memorial openings.crowd on the subject of us with every passing day. proves that in your old age you can be going solid .), *Still Alive!* Charles de Gaulle once noticed. Not so, says Herb Gold in this lively, often hilarious memoir of his initial seven decades. He's clearly enjoying every moment to its fullest.the lifelong accumulation of dreams and reality&#151; This is a reserve about how period overtakes us, how reminiscence, loss, hope, pain, achievement, failing&#151; and having fun! Combining a fascinating selection of people, areas, and key events from a long life into the alembic of his ever-fertile creativity, Gold has distilled gold from his uncanny ability to recall conversations, anecdotes, atmosphere, and telling detail. By turns wickedly funny (&#147;.”) and touching (&#147;It’s harder to learn how exactly to laugh alone.”Old age is a shipwreck,”, in this age of overheated memoirs, will certainly find its way to a grateful target audience both young and youthful at heart.

The nearly dead beatnik I've met Gold a few times. Ageing, not aged. I loved it! We understood some of the same people. This reserve wonderfully removes some of the edges I usually thought Gold suffered. So glad I bought it! It will be interesting to discover what my publication club must say. There's a great deal of that here - not apologies, just, well, damn it. 'Should did it better. Past days revisited Just started Gold's publication and discover myself reliving the crazy 60's of my much younger self. His respect for that remarkable female shine forth on every web page. There is a big crowd, and folks marveled at his amazing memory. Sometimes memoirs could be over memorialized. It is also a love story of extreme power for his still beloved former wife, although they had been aside for over ten years before her loss of life in 1991. Out of Gold, a Life-Affirming Gem Less a memoir when compared to a series of essays on what it means to handle aging gracefully, this wonderful reserve is even more a self-portrait in the pointillist design. He appeared in the Lakewood Library recently and looked great for a guy of 90+ years Herbert Gold grew up in my own hometown of Lakewood, Ohio. He made an appearance at the Lakewood Library recently and looked great for a guy of 90+ years. He looked ideal for a guy of 60 years! Gold provides filtered out what isn't essential, has just included the reality of his life that are pertinent. Therefore narcissistic. I wandered the same territory at about the same time in SAN FRANCISCO BAY AREA. Then, getting old will do that in any case.! I actually enjoyed it tremendously. It was well written, amusing, honest and sensitive. Bravo--fun reading , specifically for those of us more than 60! Sometimes that transports the reader to that particular place between gifted writer of insight and we who've boarded that teach of thought. He's old, but not by much.. from friendships at Colombia compared to that with Saul Bellow - an amazing book from an amazing man. He's as attractive today as he was in his start of composing and loving. A Must Browse for the Over 70 Crowd Herbert Gold presents an unvarnished picture of getting outdated. He does this with great humor and honest assessment. He also looks back with a renewed appreciation of a lifestyle worth living.' Ultimately, the publication is a comfortable consider the condition written, as Gold often manages, in lucid prose. What fun. Like Gold's wry humor. endless memoir Herbert Gold is usually in love with words.! Sometimes it is way too many words, It isn't consistent. I did not feel enveloped for the reason that blanket of love that Gold wraps around himself, his past lifestyle and individuals who lived it with him. I became impatient and annoyed. It's invigorating to learn how he spends his time now, always available to likelihood, but unwilling to compromise. That's what that is. Four Stars A fun read. the seller. Herb Gold's book of reminiscences of his existence from Cleveland to Colombia to Haiti and SAN FRANCISCO BAY AREA; The seller was great. The publication was less than great. The book is great. Coping with oldness and the irrelevance it brings to one's being often means recasting everything you thought and do before you were outdated.
