Very touching!. I've witnessed many siblings of children on the spectrum as my equine offers participated in equine therapy for kids and veterans. She liked the reserve a lot! I'll share this reserve with my grandchildren so if they encounter families with children managing difficulties they'll have a good framework to greatly help them respond with kindness and patience. I recommend this publication be added to a family library. This is actually the perfect book to help children understand a bit about .. I am the writer of "The Horse Who Loves Hats" and ordered this book simply because I was doing analysis on autism for my book. This is the perfect book to help children understand a little bit about autism also to teach them acceptance - A couple days, not too short, not too complex, rather than overly simplistic. Angela Moorad, MS, CCC-SLP, IAYT, RCYP-2 Speech-Language Pathologist Founder of OMazing Kids, LLC - inclusive wellness & Great for Teaching I am using this in college as a part of my particular education book review. This is a perfect exemplory case of how to teach kids about special needs. I cherished it!. Helping kids learn how to act with kindness. The story goes to show that all individuals with special needs (children or adults) wish to be treated like other people. gorgeous story, perfectly written for children Having two children on the spectrum I was struggling with a way to explain to their siblings why they're different. This was an ideal book to help them better understand. Excellent book!. Smart way to share the gifts of understanding, courage and love. As a mother or father, i really believe this book really helps to reinforce the ideals we are trying to instill inside our children. I donated one of my copies to the nursery in my church.! educational actions for kids of most abilities Facebook: OMazingKidsYoga I actually didn't like the style of composing and didn't believe that it . Five Stars Great books for my granddaughters. We didn't like the style of composing and didn't believe that it gave a positive view of the abilities of students with autism. Easy read for kids! My child struggles with reading and it was easy for her. I came across Lori Demonio's handling of the subject excellent. A wonderful addition to my special requirements acceptance & recognition library! Leah's Voice is a wonderful addition to my special needs acceptance & awareness library! I love the way the story unfolds, the message of treating everyone with kindness and that it is inspired by the writer's daughters. It's an excellent book.. Five Stars What a lovely book about a very difficult situation.. Great book for kids to read.
