Even better compared to the first book.. This is why travel books are therefore popular.It's amazing how far the idea of Gypset has come in several short years. However, I also love luxury and design. Your individual Utopia will be the method that you make it. Buy it, been there, carried out that.. It Rocks Absoulne Books truly rock!This book rocks: the stories, history, facts, pictures its colorful and bright makes you smile . Appears to be a lot more photos and better quality pictures (unlike the pixelated pics however you like).... I love collecting Absoulne books I so love most of Julia Chaplins books I so love most of Julia Chaplins books. It virtually is what it state it is.Gypset Design / travel and today living.. It is filled with fun photos and inspiring places to travel. Again the reserve was received on time and in new condition. Thank you Damaged Came damaged. Prettier then Gypset Style Much very much better then your first book, Gypset Style.. Boho Style I REALLY LIKE this book. Beautiful photos, informative and filled with beautiful places and people. Makes an excellent coffee table book. Exceptional trip with tongue in fashionable guide JC No-one gets the trots or jetlag or x-rayed by the airport trolls taking this comfortable tour of a few of the world's nicer sub-jetset radar, further out, get away destinations. No discomfort, no strain, plenty of colorful things to see and do, to feel and learn and eat at a discount price.. It creates for great escapism, to see how other folks live and how they've reimagined existence. The book will do and this one will.The photography is a lovely mixture of vintage photos of The Stones and new photos of current day wanderlusters. Five Stars happy Four Stars Beautiful book. Happy travels! A Reserve To Daydream With This is a beautiful book and the photography is vivid and gorgeous. With the best, there is no need to really visit bodily, personally.I have a sense that not too many of us who've purchased this book may live this sort of life-style, but it's fun to fantasy. I'm a free of charge spirit, I got my passport when I was presented with two days see to come on a secondary to the bahamas. This publication showcases the lives of affluent free spirits who understand how to do travel, extravagance, and design as if it's their work... and if that they had to work, it would be (and for a few... is). :) Lovely book This is a lovely coffee table book with lots of great photos. I really like Julia Chaplins books.
