Wonderful! Now that's saying something! With the step-by-step details, even I can style my hair! Wow! Five Stars Great! Still sweet though! Five Stars Great publication, gave me plenty of ideas! Cute, however, not recommended for PRO's. In case you are already a hair stylist this probably wont be very useful as these hairstyles are for beginners. I received this as a gift and I really liked it, the hairstyles are simple, nonetheless it does give a clear step-by-step!
