. in the vast majority of the photos? Tried some of the patterns and liked them. I recommend this seller and the merchandise 100% Love this book I acquired this for my daughter (10) to learn how exactly to do some designs on her nails. its extremely difficult to view, hands are down, at angles that have you tilting the publication, and trying to locate a way to in fact see the nail designs. I like most of the concepts presented and can take twists and turns of my own. without really having the ability to view closely? pfffttttttt the book could be a lot better. Made an excellent christmas present for my teenage cousin! Got this as a Christmas gift for my younger cousin (she's around 15), along with a nail art package. Yes, it is possible to go online and appearance at all the nail art images, or watch youtube movies, but I love cuddling up on the sofa and flipping through the reserve to choose my next nail design. You do need to buy the tools to do them. Additionally it is easier to color a couple of nail tips before gluing them on. I definitely recommend. you can hardly see the nail detail, you can find very few close up shots. Nail Candy: 50+ Suggestions for Totally Cool Nails My granddaughters have gotten a kick out of this book. Tried some of the patterns and treasured them. Nail Art Reserve- In English This book is excellent it has a lot of ideas in it. In addition, it shows you how to help make the designs. It offers tutorials on all the cute styles which are well-known today. Like, nail brushes, nail striping tape, dotting tools, nail foil, nail polish, fimo art, glitter, paint and stickers. You can purchase all of this stuff on ebay. This is a lot cheaper. You do have to wait a time for your stuff, but it is worthy of it. You can also buy 500 nail tips for 4 dollars to do the artwork. You do need to practice a few of the styles to get them right. Fun! Then paint in some recoverable format. but that's the fun part :) If I were a girl I'd have the natural leather nails lol Another Christmas present but I looked through it before getting it and thought it looked neat and several people since my pal got this gift have got either added it to their wish list or bought it. You'd hardly ever know they were really this easy to do!. Directions are an easy task to follow. It really is just nail artwork. I like this reserve. I give this reserve a 5 star ranking. Very helpful-- This is an extremely a helpful book. It found its way to a timely way and was packed perfectly. I bought it as something special and it was left out in error, so I use it weekly. In some instances? Although some look just a little complex the techniques look easy enough for her to check out and I'm sure they will consider some practice. If you are looking for a good nail art book in English this is the best one.very few close-ups of designs the reason for only 3 stars? Then on nail suggestion. It will always be best to acquire on paper first. I do my very own nails after viewing another person airbrush them for a decade. If you are attempting to learn how to do nails this book does not show you how to do that. So, even though there are some, what sounds like fun ideas? Plenty of great nail art concepts! My hubby bought me this book as a gift. I love it. The reserve is fantastic quality, and the styles are easy to do also for a newbie, and very cute! You will find loads of fun styles in the book with step by step directions. It certainly makes a good gift for anybody into nail art. ideal for a 10 season old but not an Juvenile nail art, great for a 10 12 months old but not an adult Four Stars Lots a fun ideas to try Five Stars Niece loved it. Great choice for middle college age My grand daughter cherished it
