. Yes I was an idiot for purchasing these manuals.. This is not what is pictured or described.. It's not the 2015 AHA edition it's the 2011 AHA version which it no longer used. I had to return the DVD's . In my protection I don't do Heartsaver classes frequently.. received heartsaver CPR schooling and this book is a superb resource to examine and keep my abilities fresh We received heartsaver CPR teaching and this book is a great resource to examine and keep my skills fresh! Five Stars Glad to finally get my hands on the reserve. In Oct of 2017 the AHA changed the pricing process. Three Stars Had to buy for a class. Four Stars good book for a CPR class. This manual ought to be \$2.. Lots of pictures and Illustration..This is simply not what's pictured or described. Two Stars Perfect Updates 2018 Need this to study. Five Stars GOOD Super certified Great for class Over priced manual This manual is now overvalued. Thanks! It's ...50. \$3.50 if sold as Prime.
