exciting intro to this amazing gift from the earth! This book should be in the top 5 books listed in response to any search for information on EMF toxicity and electrosensitivity. Ms. Martino very clearly and efficiently clarifies the properties of shungite as well as the study and testing that has been done to discover its potential health benefits. I've never found any additional mineral, rock or manmade item that so successfully eliminates the harmful results and extreme pain that I have experienced when exposed to Wi-Fi and cellular phone radiation. I learned a lot concerning this stone and I use it constantly today. I am shocked that book was never recommended if you ask me by Amazon based on my past searches, items viewed and items purchased. I cannot recommend it highly enough. Great book. Extremely informative Great book. Extremely educational. Don't trust the internet content articles- browse this to find the genuine scoop on shungite.. All shungite could be recharged in sunlight. Very interesting, comprehensive, & Fascinating read. I've a couple of autoimmune illnesses and am very delicate to electromagnetic waves emitted from mobile phones, computers and cordless phone bases. Nothing major, but it certainly throws me out of balance and makes me experience jittery therefore i can't sleep at night unless I shut everything down. The book lists online resources where you can buy shungite to wear and place near your gadgets for safety from EM waves. The stones are found in only an individual mine in northern Russia, and also have been used for wellness by the Russians going back to Peter the fantastic. This is an incredible book. Not surprisingly, people outside of Russia remain skeptical. The book contains all the necessary elements to comprehend shungite . This rare stone, shungite, supposedly counteracts the unwanted effects of EM waves on the body, without acquiring on a negative ion charge. You can even buy shungite products on Amazon that are reasonably priced. Five Stars Great info in this time of technology! as well as the jewelry around my neck ???? Good condition Satisfied Five Stars Came promptly and I am happy with the book. Some topics could be a little too in depth if you're not highly knowledgeable about crystals and drives, but most of the book is quite accessible to anyone and I loved learning all of the scientific studies behind the claims the author made! Informative! I would suggest this to everyone. would recommend to anyone trying to figure out what the stone is and its amazing prospect of practical make use of against harmful frequencies and radiation. Many thanks. The book cites many Russian studies on medical benefits of shungite. love it its everything you need to know about shungite and then some history ,elements, healing properties,how exactly to use it, every thing Highly recommend Very informative Great Read!. Other sites talk about shungite gets "old" when filtering water but not according to the book.. The types of shungite which I have tried up to now have previously improved my sleep, mental clarity, energy level and pain elimination, and I look forward to trying several additional uses which are explained to improve my overall health and lessen my sensitivity. super beneficial, the metaphysical aspect is quite cool also. I'm ready to test it out for... The book contains all of the necessary elements to understand shungite and how to protect humanity and earth from the mortal advances of technology. EMF Blocker?This book is a must read for all those with EMF and electrosensitivity. Practical !! I highly recommend it!. Healing powers! Love the information in this book ! I'm placing shungite pyramids around my house... I simply wish that more scientific studies upon this unique rock were conducted and written in English. I body I've got nothing to lose, why not? That's frequently so lacking in other similar books within this genre. Shungite - our healer. Thank you! Five Stars love this book! The best of the greatest. One incredible book. This is an AMAZING book. THE VERY BEST Shungite Source! THE VERY BEST Shungite Source!
