Really Fast Delivery and Informative I gave this reserve five stars mainly because I got a product in great condition and incredibly, very quickly.. Every family needs this book! Needed my own. Because of the folks at Sassy Cat because of their quality and velocity in delivery.It's a hard cover and so far has been informative. Totally love this book. Im a mom of 3 ranging from newborn to teens and i always find stuff in this book to make life hacks easier! Five Stars Love this reserve and the price was fantastic! I've enjoyed reading the different things that are around us everyday .. Useful Household Book This book, Extraordinary Uses For Ordinary Things, is indeed helpful in so many ways. Interesting book to have. I have enjoyed reading the different things that are around us everyday to greatly help with solutions. Nice publication. I am pleased with my purchase and will keep this book permanently. It shows in this reserve. was it worthwhile? yes. Extraordinary Uses for Normal things. Who knew a pencil eraser can remove sticky tape from a curtain rod, or that WD-40 will get two drinking eyeglasses unstuck! Do I would recommend? yesIf it really is from Readers Digest, you know it has acquired a lot of time and effort put into it. yes. I also got the second publication I liked it therefore much. Extraordinary ways to cut costs for sure! I thought given that I'm retired, I've time to try to ways for saving money and saving the environment so, I purchased the Extraordinary Uses for Normal Things and it's great. Extremely easy to learn and great ideas for using products we already have on hand or that are cheap to buy. You do feel better in what you're doing by using the recommended uses in this book. I'm glad I purchased it and I would recommend it to others.JR Three Stars some good info but not enough Nice book. great book this book pays to on so many levels. Lots of useful tips. Happy. Item found its way to like fresh condition.. yes. You by no means know when you may need a remedy to life's little problems. Well this book is the solution. can it save money?! Fun! Found in the doctor's office. Somethings you understand but there are some pretty creative tips that will soon be placed to use by ma y people as the economy sinks in deeper. exactly as described,awesome. Great for doomsday preparations! would I purchase again?.. I really like this genre and this you have not disappointed at all -:) Five Stars love this publication gave me some great ideas awesome. Domsday Prepper?
