Are you in the second half of life? When Caleb was 85 yrs . old, he didn't determine he was "over the hill," he made a decision it was time to take a mountain! That means He is in the business of not only restoring, but producing better as we progress in years. Then this reserve is for you. There is absolutely no such issue as "retirement" in the Kingdom. God's plans, reasons and callings don't come with an expiration date. We are not designed to wind down but to progress forward. God claims that the glory of the "latter house" will be greater than the former. The best is yet to come! In God's Anti-Aging Program, Patricia King exposes the lie of lifestyle that people are to slow down and check out as we grow older. From scriptural insights to practical tips and inspiring tales, Patricia can help you grab hold of a whole new way of living in the next half of life—a way that plugs you into God's Anti-Aging Plan so you can enjoy your best years in the a long time! She replaces it with the Kingdom truth that we are called to be full of vision, purpose and productivity all of the days of our existence.
