Four Stars My young soccer star loved this book. Five Stars My 9 yr outdated enjoyed scanning this book, it was at a proper level for him Great for a child reader My boy read this book without hesitation.. It really is definitely for children! If you prefer a reserve that literally spells how to play soccer, this is it... THE SOCCER Reserve WAS AS AN ELECTIVE, Interesting.I recieved the product in trade for my honest and unbiased opinion. I actually thought it was the perfect book. My boy won't read it.... Five Stars Phew, another publication my son will browse :) Five Stars son loves it For youthful soccer players! It has a large amount of advice for young players that is described at their level.... He first got it when he was 12. I believed it was an ideal book. I am an enormous soccer lover but I have no idea very much about the technicalities of the activity but after reading this, I feel a lot more educated. It's written for children but adults can adhere to along too in the event that you wanna get into soccer.. I acquired this book since it came through to my seek out soccer training books. says it's too young for him. I wud recommend it for a payer at any level and even a parent who's motivated to greatly help their children grow in the activity Simple, an easy task to follow! When you have a kid who is having a hard time learning a move or placement this book may be helpful. and still am encouraging him to read it. MY SONE LOVES SOCCER AND We PICK UP THE BOOK WITHIN HIS SUMMER STUDIES. Extremely interesting book. No cons, great book. HE WAS PRESENTED WITH A CHOICE COMPLETE WORK BOOKS FOR THE CLASSES HE DID BAD IN OR SUMMER College. Great purchase. My boy loves this book.
